

VALUE BIBLICAL VIEW

At TrueBridge we provide caring oversight, leadership, & equipping to TrueBridge churches and leaders so they can walk out their unique expressions as healthy and effective churches through five core values.

One of these core values is having a biblical view. We believe the Bible is the inerrant word of God and therefore our standard for all we believe, teach, and practice. With this view:

- › We will hold to the truth and authority of Scripture no matter what the cultural trends may be
- › We will teach the truths of Scripture to equip God's people to live lives that honor Him
- › We will live our lives according to Scripture in such a way that others may follow our example
- › We will evaluate our doctrine against proven, historical theology

We hope this guide will help you to find understanding and apply His Word daily. May it transform your heart and mind.

SOAP GUIDE

WHY DOES TrueBridge BELIEVE IN SOAP?

At TrueBridge, our desire is that every believer would not just attend church, but also hear from God daily through His Word! We believe that doing daily devotions changes the way we think, transforms our hearts, and helps us become more like Jesus!

The accompanying year-long plan takes you through Jesus' life. Once you get the hang of SOAP-ing, you can apply this method to this plan or any reading plan you like.

WHAT YOU NEED

1. A Bible
2. A pen
3. A journal

HOW TO SOAP

S FOR SCRIPTURE

Write down in your journal the verses you are reading.

O FOR OBSERVATION

Write down observations about the scripture you just read. What happens? When did it happen? Who was it?

A FOR APPLICATION

Think about how you can apply it to your life. What lessons can you take from the scripture?

P FOR PRAYER

Write down a personal message from you to God based on what you just learned and ask him to help you apply this truth in your life!

SOAP EXAMPLE

S FOR SCRIPTURE

Matthew 9:35-38 (If only SOAP-ing one or two verses, you can write out the whole verses.) "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."

O FOR OBSERVATION

This scripture acknowledges God as the owner of the field and the harvest. He has more invested and to gain from the harvest.

A FOR APPLICATION

We are to care as much as we can about the harvest, about helping others find and believe in Christ. We need to help the harvest by helping others and getting others to help with the harvest.

P FOR PRAYER

God, please send out new and more workers. Help me to be a good harvester.
